Process Tweets

Tweets' Basic Statistics

In [23]:

```python
from sciTweetBlobs import describe_tweets
from sciTweetBlobs import processTweet
from sciTweetBlobs import parse_sci_tweets
import pandas as pd
%matplotlib inline
import matplotlib.pyplot as plt
import numpy as np
from pattern.en import parse
import nltk
```

In [16]:

```python
# gen stats on given tweets
stats_list = describe_tweets('../untrkdData/tweets.send.json');
```

In [17]:

```python
# import matplotlib.pyplot as plt
df = pd.DataFrame.from_dict(stats_list);
```
